To

Shri K.M. Kariappa
Ex-C-in-C, Indian Army
NEW DELHI

Patna, the 13th December, 1971.

Respected Sir,

A virile race of people is needed in our country at this critical juncture more than ever before, And this can be obtained only if the youths of this country direct their attention to imporve their own physique and mind.

We are glad to announce that Bihar Association of Physical Education and Recreation had been taking lead in this direction since its very inception in October,1947. You will very well remember that on the 29th November 1950 we enjoyed an opportunity to have your blessings in this respect and since then we have gained much in the direction of imparting proper physical Education to the youths of our State. Being convinced with the programme of the Association and its initiative the Government of Bihar had opend a Physical Education college at Patna in Jan.1951.

You will be very glad to know that Bihar Association of Physical Education and Recreation has entered in the 25th year of its life and to make this occassion, its Silver Jubilee is going to be celebrated in the last week of December 1971 at Patna of which his Excellency the Governor of Bihar Shri D.K. Barooah, has consented to inaugrate.

W will have much inspiration if we get your blessings again on the occassion.

Thnking you.

Yours faithfully,

(Dr.D.N.Singh)
General Secretary .
